

Elm Class Extended Home Learning Autumn 1 - History

As part of our learning in History this half term, we will be learning about the Romans. My challenge for Elm Class is to create, write, make, film, photograph, bake, research or draw something linked to the Romans. You may want to consider how the **Romans impacted our local environment** to share with the rest of the class. You could visit the Roman town house in Dorchester, the Roman Baths in Bath and tell us about it, what you choose to do is completely up to you! These can come into school any time over this half term and we will share them in class as soon as we can during the week.

Have fun Elm Class!

If you would like some inspiration, here are some websites that you might enjoy exploring ☺
